Michelle Barbee

Michelle Barbee is the Controller, as well as Director of Marketing and Digital Content, for Safe Sheds, Inc. Safe Sheds began producing and installing above ground concrete storm shelters in 2002, and currently has shelters installed in 34 states. Located in Salem, Illinois, a community in south-central Illinois, Safe Sheds produces both residential and commercial storm shelters.

Prior to joining Safe Sheds, Michelle was the Controller for Americana Building Products, Inc. and the Small Business Director at Sam Phillips, CPA, both also located in Salem, Illinois. She also farms with her father, Don Guymon (president of Safe Sheds, Inc.), and recently opened a dog kenneling business with a local veterinarian. Michelle also serves as the president of the local grade school district board of education.
